

## Lil Dribbler Basketball Skills Camp

Your kids will love our instructional sports programs that introduce them to the fundamentals of basketball and sports of all sorts! Parents love that the Sports of All Sorts Youth Association core value -"Teaching Life's Lesson's and Value's through Athletics all while focusing on Fun, Fitness and Fellowship as it's key principles" are infused into every class so that kids learn the value of sportsmanship and healthy competition, rather than rivalry, right from the start. These programs encourage team building, individual development; positive self-image and a sense of fair play and mutual respect for others.

### OUR CAMP IS DESIGNED:

In order to teach young children you must Have patience. By teaching a few steps at a time, Children learn best by doing. Conversation is one way of doing kids can enjoy. At SOASYA we Use a hands on approach to teaching. By using easy phrases and examples children can understand and remember. Children will be taught how to dribble standing still and then moving across the basketball court using areas defined by our instructor. As they learn how to dribble the ball to different areas, they will also be taught what each area is called. The Camp is designed to introduce new players as well as enhance those players abilities that have played before. This camp is designed from 1<sup>st</sup> through 4<sup>th</sup> graders
