## Policy for Complaints on (COACHES)

- A. Complaints from coaches about a coach/parent** (this lets us know if we have a problematic situation with a particular coach that we need to address)  
EXAMPLE: We have had several scenarios in which complaints have been received on what others feel are abusive or unsporting coaches and felt that the issue needed to be addressed with the coach. These issues could be related to his conduct in addressing his players, officials, parents or the other team's coaches, players or parents. This also pertains to showing overall good sportsmanship towards the game itself. All complaints received on a coach will be kept on file for proper tracking.
- B. Complaints from officials about a coach/parent**  
Follows the procedures listed below. However, it is expected that if an official has game related mis-conduct from a coach that the rules pertaining to the issuing of a technical foul be given. If a coach receives a technical foul either directly or indirectly then all coaches must remain seated on the bench for the remainder of the game. If any other technicals are issued against the bench then the head coach will receive either a direct or indirect technical foul. If a coach receives 3 indirect or 2 direct or 2 indirect and 1 direct, then the coach is removed from the current game and receives an additional 1 game suspension. This follows the standard rules for all basketball leagues. If a coach is ejected from a game, they must leave the immediate area of the game (out of site and sound of the court).

ANY COACH, PARENT OR PLAYER THAT CONFRONTS AN OFFICIAL, THREATENS AN OFFICIAL OR ANOTHER COACH/PARENT BEFORE, DURING OR AFTER THE GAME WILL BE REMOVED FROM THE FACILITY, AND SUSPENDED. THE NUMBER OF GAMES WILL BE DETERMINED BY THE DIRECTOR AND IF NECESSARY, COULD BE SUSPENDED FROM LEAGUE PLAY FOR THE REST OF THE SEASON.

When complaints are received, the following procedures are used to address the situation. (ALL COMPLAINTS ON COACHES MUST BE SUBMITTED THROUGH THE HEAD COACH OF THE TEAM ISSUING THE COMPLAINT. ALL COMPLAINTS FROM PARENTS WILL BE KEPT ON FILE) this administration WILL NOT communicate with a teams parents individually on these issues, any response from this administration will go to the Head Coach ONLY!

1. If a coach receives a written complaint from another coach then the director will discuss the matter with the coach either verbally or in written form. The complaint will remain on file for the remainder of the current season.
2. If a coach receives a second complaint occurring on a different day/game, then the director will send a written correspondence with details from the written correspondence from the coach issuing the complaint and then allowing them to provide a rebuttal to the statements. I will then share those with the initial coach. A warning will be issued to the coach in question that their conduct must reflect the proper sportsmanship that follows the codes of conduct of this organization as well as AAU or the KHSAA.
3. If a coach receives a third complaint occurring on a different day/game bringing the total complaints during the season to 3, the coach will be suspended for 1 game by this administration for failure to follow the standards of the organization.
4. Further complaints may result in the coach/team being removed from the current league as well as possible future leagues.

## Policy for Complaints on (OFFICIALS)

### JUDGEMENT CALLS WILL NOT BE ADDRESSED BY THIS ADMINISTRATION

A. Complaints about an official (this lets us know if we have an official that needs more training, or simply should not be used). EXAMPLE: We had an official that started experiencing frequent complaints. After noticing the trend, the assignor talked to this official and discovered that he was having some personal problems that caused him to be a bit uptight. We requested that he take some time off from officiating until his personal life was back in order to avoid the additional stress.

B. Complaints FROM a coach/parent (this lets us know if that complaints are simply from someone whose team may not be doing well, or is simply more prone to complaining.) We have had these scenarios in the past; however, we take into consideration when complaints are filed by this type of coach that we do not hold it against the coach, league or the officials.

When complaints are received, the following procedures are used to address the situation. (ALL COMPLAINTS ON OFFICIALS MUST BE SUBMITTED THROUGH THE HEAD COACH OF THE TEAM ISSUING THE COMPLAINT. ALL COMPLAINTS FROM PARENTS WILL BE KEPT ON FILE) this administration WILL NOT communicate with a teams parents individually on these issues, any response from this administration will go through the Head Coach ONLY!

5. If an official receives a written complaint then the director will discuss the matter with the assignor either verbally or in written form. The complaint will remain on file for the remainder of the current season. The assignor, under his/her discretion, may investigate to determine if any issues are involved or if training is needed.
6. If an official receives a second complaint occurring on a different day/game, then the director will send a written correspondence with details from the written correspondence from the coach issuing the complaint to the assignor. From that point the assignor will handle any correspondence and action needed to resolve any issues if found with the official directly. There will not be any additional information supplied back to the coach unless it pertains to a rules question/issue. The officials, although are individual contractors, are considered a part of this administrations extended staff and therefore, any action taken will be handled on a professional level within the organization.

## PARENT/SPECTATOR CODE OF CONDUCT

### CODE

As a parent/spectator, you play a special role in contributing to the needs and development of youngsters. Through your encouragement and good example, you can help assure that all the boys and girls learn good sportsmanship and self-discipline. In Sports of All Sorts Youth Association, young people learn to work together, to sacrifice for the good of the team, to enjoy winning and deal appropriately with defeat - all while becoming physically fit and healthy. *Best of all, they have fun.*

Parents/Spectators are subject to the same laws of conduct and good sportsmanship as the coaches. No vulgar language, heated discussions, use of alcohol, any controlled substance, physical abuse (contact) or any other acts detrimental to the purpose of the organization will be tolerated.

### SUPPORT YOUR CHILD

Supporting your child by giving encouragement and showing interest in their team is very important. Help your child work toward skill improvement and good sportsmanship in every game. Teach your child that hard work and an honest effort are often more important than victory - *that way your child will always be a winner despite the outcome of the game!*

### ALWAYS BE POSITIVE

Parents serve as role models for their children. Become aware of this and work to be a positive role model. Applaud good plays by your child's team as *well as* good plays by the opposing team. Support all efforts to remove verbal and physical abuse from youth sports activities. Avoid confrontation and criticism of/with any official, coach, parent or player. Use of alcohol or illegal drugs is strictly prohibited when involved in Sports of All Sorts Youth Association functions.

### REMEMBER: YOUR CHILD WANTS TO HAVE FUN

Remember that your *child* is the one playing, not you. It's very important to let children establish their own goals - to play the game for themselves. Take care not to impose your own standards and goals on them. Don't put too heavy a burden on your child to win games. Surveys reveal that **72% of children would rather play for a losing team than ride the bench for a winning team.** Children play for the fun of playing.

### REINFORCE POSITIVE BEHAVIOR

Positive reinforcement is the best way to help your child achieve their goals and their natural fear of failure. Nobody likes to make mistakes.

If your child does make one, remember it's all part of learning, so encourage your child's efforts and point out the good things your child accomplished.

### DON'T BE A SIDELINE COACH OR OFFICIAL

Coaches and Officials are usually parents or children. They work hard to do the best job they can do and to help make your child's athletic experience a positive one. They need your support too. That means refraining from coaching or officiating from the sidelines.

### PARENT/SPECTATOR PENALTY:

If a Parent/Spectator is ejected from a game for any reason they will be required to immediately leave the area of the playing field and/or facilities. If situations allow, A **WARNING** may be issued for UN-sportsmanlike conduct and any infraction of the stated program rules. If a second **WARNING** becomes necessary for any infraction, there will be an automatic ejection from the current game. The offender has two (2) minutes to leave the confines of the playing field (Outdoor = parking lot, Indoor = building). If the offender refuses to leave or returns prior to fifteen (15) minutes after completion of the game, the local authorities will be called. Additional action may be taken by the League Administration and/or Board of Directors in determining if further disciplinary action should occur. Repeated violations of this code of conduct would be subject up to a one-year suspension or further action as deemed necessary by Sports of All Sorts Management. In cases of illegal conduct the local authorities will be notified.

- Touches the ceiling or overhead obstructions beyond the vertical plane of the net and its out-of-bounds extension.
- Touches or enters (from the direction of the court) a non-playable area beyond the legal reach of a player, or adjacent courts scheduled for play.
- Touches any part of a backboard or its supports hanging in a vertical position, over a playable area if it is a served ball or, in the judgment of the official, the ball would not have remained in play if the backboard had not been there.

**Penalty for out of bounds:** Point/Loss of rally is awarded to the opponent.

**RESTRICTED PLAY**

The official shall stop play when;

- A wall, floor obstacle, non-playable area or non-player interferes with a player's legitimate effort to play the ball.
- A player gains an illegal advantage by contacting any floor obstacle (i.e. team benches, officials' table, bleachers, etc.) wall or another player.
- It is necessary to prevent player injury from contact with obstacles or walls.
- The ball contacts any part of a backboard or its supports which is hanging in a vertical position over a playable area. Supports are considered part of a backboard.
- A player may play a ball over a non-playable area if the player has a body part in contact with a playable area at the time the ball is contacted, and may enter the non-playable area after playing the ball.

**Penalties for Restricted Play;**

- When a wall, floor obstacle or non-playable area that is less than 6 feet from a boundary line, or a non-player causes the interference, a replay is declared provided the player had a legitimate play on the ball.
- When, in the judgment of the official, the ball would have remained in play had the vertical backboard not been over the playable area, a replay is granted.
- In all other situations, a point/loss of rally is awarded to the opponent.

**Rule 3. Game Equipment**

See court diagram for basic information

**Rule 4. Player Equipment**

- Supports/braces are permitted on other parts of the body (an elbow brace shall not extend more than halfway down the forearm) if in the judgment of the referee, they are not considered dangerous. The referee shall, however, require a support/brace to be covered or padded if a sharp edge or point is exposed.

**Rule 5. Officials: Responsibilities and Positions**

- Will Follow National Federation High School Codes of Conduct and game mechanics.

## **Rule 6. The Team: Composition and Positions**

### **TEAM PLAYERS:**

- A team shall consist of a minimum of 4 players and a maximum of six players (6 females) to begin the first game of the match.
- If a team has fewer than four players to begin the match then the match will be forfeited.
- If a team has fewer than six eligible players due to illness, injury or disqualification after the start of a match, it shall continue play. However, if a team has fewer than 6 players then a Ghost Server will be used when that open spot comes into rotation resulting in a loss of serve and a point issued to the opposing team.
- Ghost Server is defined as the open position in Middle front and Middle Back. This rule applies for the 13U and 15U divisions ONLY!

### **PLAYER POSITIONS:**

- The position of players in order of the serve shall be Right Back, Right Front, Center Front, Left Front, Left Back and Center Back.
- At the moment of serve:
  - All players, except the server, shall be within the team's playing area and may be in contact with the boundary lines or center line, but may not have any part of the body touching the floor outside those lines.
  - All players shall be in correct serving order. Each right-side player shall have at least part of one foot touching the floor closer to the right sideline than both feet of the center player in the corresponding row (except the server and the center back of the serving team). Each left side player shall have at least part of one foot touching the floor closer to the left sideline than both feet of the center player in the corresponding row. Each front-row player shall have at least part of one foot touching the floor closer to the center line than both feet of the corresponding back-row player.
  - After the ball is contacted for the serve, players may move from their respective positions.
- When a loss of rally occurs, the team preparing to serve shall rotate clockwise one position. A point is awarded as this team rotates. This applies to all services once the initial match begins.
- When a team plays with fewer than six players due to illness, injury or disqualification which occurred after the start of the game, a loss of rally shall be awarded to the opponent each time the vacant position is the right back position.

### **PENALTIES FOR ILLEGAL POSITIONING:**

1. For illegal alignment, point/loss of rally is awarded to the opponent for:
  - a. Overlapping by players other than the server at the moment a legal serve occurs;
  - b. Positioning, at the moment of a legal serve, of any player, other than the server, outside the boundaries of the playing area.
2. For an improper server, loss of rally shall be awarded as soon as the improper server is discovered and verified
  - a. When an improper server is discovered prior to the contact of the first serve by the opposing team, all points earned by the improper server shall be canceled.
  - b. When an improper server is not discovered until after the serve has alternated and the first serve has been contacted, there shall be no cancellation of points, and no penalty is assessed.
  - c. Proper serving order as written in the score book shall be regained immediately.

### **SCREENING**

1. Players on the serving team shall not take action to prevent receivers from seeing the contact of the serve or the path of the served ball. Potential screens exist, but are not limited to:
  - a. When a player(s) on the serving team waves arms, jumps, moves sideways or stands close to the server, and the ball is served over the player(s)
  - b. When a group of two or more teammates stand close together, and the ball is served directly over them.

### **PENALTY FOR SCREENING:**

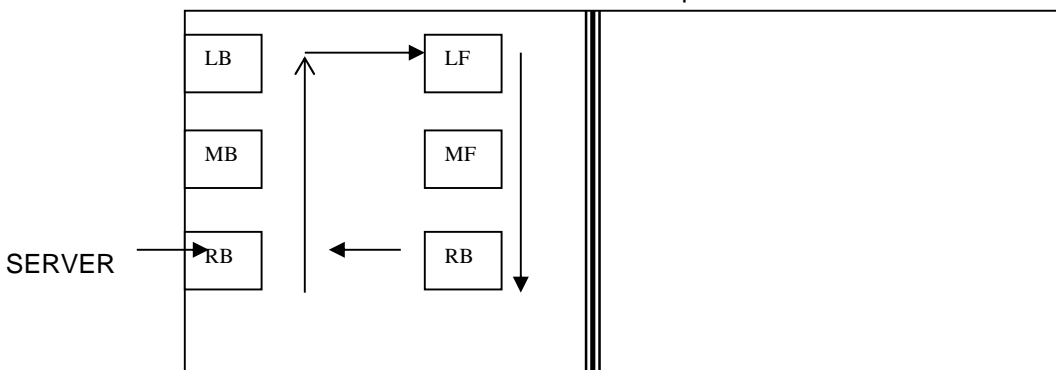

1. A point/loss of rally is awarded to the opponent.

## **Rule 7. Roster and Lineup**

All Players must appear on the coaches roster. No official roster needs to be turned in prior to each match.

## **Rule 8. The Serve**

**SERVER ROTATION:** In all leagues the serving team shall rotate each time a server serves 5 consecutive points in a game. The rotation must be done in a counter clock wise motion. For example

**Serving Lines:** 9U may move up to the attack line.

\*NOTE: For this division, if a player serves from the attack line overhand and can serve consistently over, they **MUST** step back 3 feet and serve from that position,

11U may move up to the attack line **EXCEPT** for anyone serving overhand. All overhand service must be from the free throw line of the basketball court back to the normal service line.

\*When divisions are combined, we will follow the 11U rules

13U may move into the court 5 feet. **(both under hand and over hand)**

**\*EXCEPT WHEN MERGED WITH 15U. WE WILL THEN FOLLOW SCHOOL RULES WHERE ALL SERVES MUST BE FROM BEHIND THE END LINE REGARDLESS OF SERVES UNDER HAND OR OVER HAND. IF BOTH COACHES AGREE TO ALLOW PLAYERS THAT ARE 13 OR YOUNGER AND STRUGGLE TO GET THE BALL OVER THE NET ON A SERVE, CAN FOLLOW THE 5 FEET ONTO THE COURT RULE.**

\*NOTE: If a player can consistently serve overhand from stepping 5 feet onto the court, your challenge by mid season is to have them serving overhand from the regulation (back) line.

15U must serve from behind the line. **(both under hand and over hand)**

- BALL TYPE  
9U – 11U – Volley Lite  
13U, 16U, 19U - Regulation
- A serve is contact with the ball to initiate play. The server shall hit the ball with one hand, fist or arm while the ball is held, or after it is released by the server. The ball shall be contacted within five seconds after the referee's signal to serve.
- The server shall serve from within the serving area and shall not touch the end line or the floor outside the lines marking the width of the serving area at the instant the ball is contacted for the serve. The server's body may be in the air over or beyond the serving area boundary lines, having left the floor from within the serving area.
- A team's term of service begins when a player assumes the right back position as the server and ends when a loss of rally is awarded.
- A player's term of service begins when the player assumes the right back position as the server and ends when a loss of rally is awarded or a substitution for the player is made prior to the end of the team's term of service. Each player may have only one re-serve during a team's term of service.
- A re-serve shall be called when the server releases the ball of service, then catches it or drops it to the floor.
- The referee shall cancel the serve and direct a second and last attempt at serve. The server is allowed a new five seconds for the re-serve. A re-serve is considered to be a part of a single attempt to serve. Therefore, after the referee's signal for service, No requests (i.e. time-out, service order, lineup, substitution, etc.) may be recognized until after the ball has been served.
- The first server of the game is the right back position. Thereafter, when a team is awarded a loss of rally, the player in the right front position rotates to the serving area.
- A team continues serving until it loses the rally or the game ends.
- The server alternates when the serving team loses the rally.
- The team not serving first in the previous game of a match shall serve first in the next game.

## **ILLEGAL SERVE**

A serve is illegal and the ball remains dead if the server;

- a. Hits the ball illegally
- b. Is touching the end line or the floor outside the serving area when the ball is contacted
- c. Does not contact the ball to serve within five seconds
- d. Is out of serving order or is from the wrong team
- e. Deliberately serves before the referee's signal to begin the serve
- f. Releases the ball for service then catches it or drops it to the floor more than once during one term of service.

## **SERVICE FAULT**

A served ball is a service fault and becomes dead when the ball:

- Does not legally cross the net, such as when the ball
  1. Passes under the net
  2. Touches one of the server's teammates
  3. Touches the floor on the server's side of the net
  4. Crosses the net not entirely between the net antennas, or lands out of bounds
  5. Touches the ceiling or any obstruction

## **Rule 9. During Play**

### ***LIVE AND DEAD BALLS***

- A live ball is in play, from the moment the ball is legally contacted by the correct server until a dead ball occurs.
- A dead ball is declared by an official for any decision temporarily suspending play until the ball is legally contacted again for the serve.

A live ball becomes dead when:

- The ball touches the net antennas or does not pass entirely between the net antennas and passes beyond the plane of the center line extension;
- The ball lands out of bounds
- The ball contacts the ceiling or an overhead obstruction after the third hit
- The ball contacts a wall or ceiling obstruction which is over a non-playable area.
- The ball becomes motionless in the net or on an overhead obstruction
- The ball touches the floor
- The ball passes completely under the net
- The ball contacts a non-player in a playable area
- A ball from the direction of the court breaks the plane of a nonplayable area and goes beyond the legal reach of a player
- An official's Whistle sounds
- In the official's judgement, a timer's audio signal interrupts play.

### **CONTACTING THE BALL**

- A contact is any touch of the ball by a player (excluding the player's loose hair)
- A hit is a contact/touch of the ball which is counted as one of the team's three allowable plays before the ball is returned to the opponent's side of the court
- A team shall not have more than three contacts before the ball crosses the net into the opponent's playing area or is touched by the opponent. When the team's first contact is simultaneous contact by opponents, or an action to block, the next contact is considered the team's first hit.
- A ball is considered to have crossed the net when:
  - It has passed completely beyond the vertical plane of the net
  - It is partially over the net and is contacted by an opponent;
  - No part of the ball has crossed the net, and it is legally blocked
- Legal contact is a touch of the ball by a player's body above and including the waist which does not allow the ball to visibly come to rest or involve prolonged contact with a player's body
- Simultaneous contact is more than one contact of the ball made at the same instant
  - When one player contacts the ball with two or more parts of the body at the same instant, it is permitted and considered one hit (except for a block which does not count as a hit).
  - When teammates contact the ball at the same instant, it is permitted and considered one hit (except a block which does not count as a hit). Any player may make the next hit.
  - A "joust" occurs when two opponents cause the ball to come to rest above the net through simultaneous contact. A "joust" is not a foul, and play continues as if the contact was instantaneous.

- When opposing players contact the ball at the same instant, the player on the opposite side of the net from which the ball falls shall be considered the player to have touched the ball last. The other player may participate in the next play and the simultaneous contact shall not count as a hit.
- Successive contacts of the ball are two or more separate attempts to play the ball by one player with no interrupting contact by a different player between the two plays. A player shall not have successive contacts of the ball unless there is:
  - Simultaneous contact by teammates
  - Simultaneous contact by opposing players
  - Successive contacts by a player whose first contact is a block, then the second contact shall count as the first hit by the player's team.

Multiple contacts are more than one contact by a player during one attempt to play the ball. Multiple contacts are permitted only:

- When the first ball over the net rebounds from one part of the player's body to one or more other legal parts in one attempt to block;
- On any first team hit, whether or not the ball is touched by the block.

### **PENALTIES FOR ILLEGAL CONTACT:**

Point/loss of rally is awarded to the opponent when:

- A team has more than three hits
- There is any illegal contact, illegal successive contacts and / or illegal multiple contacts of the ball.

### **PLAYER ACTIONS**

Definitions

- Pass – A play in which the ball is hit into the air so another player can get into position to contact the ball
  - Forearm pass – a controlled skill, generally used as a team's first hit, in which the ball rebounds from the forearms of the receiver to a teammate
  - Overhead pass (setting action) – two-hand finger action directing the ball.
  - Set – two (or one) hand finger action directing the ball to an attacker.
  - Dig – an underhand or overhead defensive saving skill in which the ball is contacted by the forearms, first or hands.
- Attack – Any action other than a block or a serve that directs the ball toward the opponent's court. A team's third hit is always considered an attack. A completed attack occurs the instant the ball completely crosses the vertical plane of the net, or is legally blocked.
  - Spike – an attack play in which the ball is forcibly hit into the opponent's court with a one-hand overhead motion.
  - Tip – a fingertip attack on the ball which directs the ball into the opponent's court
  - Dump – a fingertip attack most commonly used by a setter on the second hit to direct the ball into the opponent's court.
  - Overhead pass – two-hand finger action directing the ball over the net.
  - Block – A play approximately arm's length from at or near the net in which a player(s) whose hand(s) is raised above the head, contacts the ball near the top of the net in an action that would:
    - Prevent the ball from crossing the net
    - Return the ball immediately
    - Deflect the motion of the ball
  - A Block may involve wrist action provided there is no prolonged contact.

Front row players may contact the ball from any position inside or outside the court provided the ball has not completely crossed the vertical plane of the net or the net extended

Back row players, while positioned behind the attack line, may contact the ball from any position inside or outside the court above or below the top of the net.

Play continues when a back row player (on or in front of the attack line), contacts the ball, which is completely above the height of the net on the team's first or second contact, directing the flight of the ball toward a teammate, and the opponent legally contacts the ball that breaks the vertical plane of the net. If the ball is hit back into a back row player, it is ruled as the team's first hit/contact. It is a back row player foul if the flight of the ball is toward the opponent's court and not toward a teammate and is legally touched by an opponent above the net, or completely crosses the net.

A Back row player shall not

- participate in a block or an attempt to block
- Attack a ball which is complete above the height of the net while positioned on or in front of the attack line or its out-of-bounds extension;
- In the air, having left the floor on or in front of the attack line or its out of bounds extension.

NOTE: An illegal back row attack shall not be called until the ball has completely crossed the net or is legally blocked by the opponent

A player may touch the floor across the center line with one or both feet/hands provided a part of the foot/feet or hand(s) remains on or above the center line. Contacting the floor across the center line with any other part of the body is illegal.

A player may cross the extension of the center line outside the court at any time provided he/she does not interfere with play by the opposing team.

While across the center line extension outside the court, any player may play a ball that has not completely crossed the vertical plane of the net extended.

**PENALTIES FOR ILLEGAL PLAYER ACTION:** Point/loss of rally is awarded to the opponent for an illegal hit, center-line violation or back-row player foul.

### **NET PLAY**

A ball contacting and crossing the net shall remain in play provided contact is entirely within the net antennas. A serve contacting and crossing the net shall remain in play provided that the ball is entirely within the net antennas. Recovering a ball hit into the net shall be permitted.
